

Cheap Inspection Report Software 2026

Blank worksheet — print, fill, or adapt for your inspection workflow

1. Job to be done

Question	Yes / No / Notes
Is the main output a finished PDF or Word report from existing photos and notes?	
Do we need recurring mobile checklists, task assignment, or dashboards?	
Do we need offline field capture?	
Who reviews findings before the report is sent?	

2. Usage (typical month)

Measure	Value
People who collect photos / notes	
People who export finished reports	
Finished exports expected this month	
One-off / project reports this quarter	
Quiet months with zero exports? (Y/N)	

3. Cost math

Item	Value
Pay-per-export unit price	€9.95 (final worldwide total, taxes included)
Expected monthly exports	
Estimated monthly pay-per-export cost (exports x €9.95)	
Unlimited monthly price	€29/mo (final worldwide total, taxes included)
Per-seat platform monthly price	
Paid seats required	
Estimated seat total (seats x price)	
Taxes already included in quoted prices? (Y/N/mixed)	

4. Decision

Item	Value
Lowest cost that still fits the workflow	
What the cheaper option does NOT include	
Human review still required before export? (Y)	
Decision owner	
Review date	

Pricing per InspectionReport.app: free build and preview (€0), €9.95 per PDF/Word export, or €29/mo Unlimited — all final worldwide totals with taxes included. Software helps you document inspections; it does not replace the legal duty to inspect, control hazards, or keep required records.
